

Alan Wright Development Fund Application Form

Thank you for your interest in the Alan Wright Development Fund. The Fund is aimed at helping individuals better themselves and attend training that will enable them to help others improve. The fund is organised in memory of Alan Wright who was a member of Chippenham CC from 2001 until his sudden passing in August 2022.

Alan made a significant contribution during his time at the club and Chippenham CC wanted to do something to ensure his impact and energy for the club wasn't forgotten.

The fund is to be held and managed by Treasurer of Chippenham Cricket Club. An inaugural team of committee members who knew Alan well have been set up to consider any applications for funding. They are Kevin Pallant, Tom Gallop, Simon Gibson and Sue Blazey.

The fund is not necessary just available to use for cricket related activities and the committee welcomes applications for funding from the wider community. We feel this is important as it reflects the fact that Alan's contribution to the local community extended beyond the cricket club. Applications for funding between £50 and £300 are welcome.

For applications to be viewed in a fair and structured manner the committee will only review applications made on the form on the club website. On occasions you may be asked to provide further information at a later date. In addition, if you feel you need to explain more than the application form allows you to, then please talk to one of the committee in more detail about your request. They can then pass the additional information to the rest of the committee when they meet.

Please remember the only requests that will be considered are those for which an application form has been completed. The application form can be found on the club website, link below.

Donations will be made quarterly. Applications for donations can be made by the last day of each quarter, (June 30th, September 30th, December 31st and March 31st). An announcement informing people of the successful bids will be made by the 10th of the month following the application deadline.

Before making your application you should consider if it meets one or more of the following criteria:

1. The request supports an initiative that will help an individual or group develop themselves in such a way that will result in others benefiting.
2. The request supports an individual or group in taking advantage of a rare opportunity and the experience is expected to have a positive impact on their future development.

**To apply complete the information requested below and email to:
